Health and the Sustainable Development Agenda: leaving no one with disability behind

24 September 2015, 6:00 PM - 8:00 PM
Delegates Dining Room, United Nations

The Permanent Missions of Ecuador, The Philippines and Spain to the United Nations cordially welcome you to a panel discussion on the importance of including people with disabilities in the post-2015 Sustainable Development Agenda.

Speakers will make the case that in *Goal 3: "Ensure healthy lives and promote well-being for all at all ages"* people with disabilities are inherently included.

The panel discussion will be followed by a reception.
